## 4 Reasons ...

Why the Sun Lizard is your best alternative lifestyle choice creating warmer winters & cooler summers

Using natural air movements, solar energy and the principles of efficient heating and cooling dynamics, Sun Lizard works harmoniously with you and your home, heating and cooling for your comfort.

### COMFORT

Helps you and your home breathe

Naturally cools and warms an area of 100 sq m

Up to 10 degrees cooler in summer

Around 4 to 6 degrees warmer in winter

Works on sunny, cloudy and overcast days.

Cools or warms the airspace, walls and structure of your home during the day, making it more comfortable at night
